Description: Punta Rusia:

Last BeachFront Lot ! with a simple unroofed construction shell.

Most beautiful Beach in Dominican Republic!

White sand, turquoise water, no waves, because the beach is protected by a coral reef, no sea urchins (Seeigel), 500 m walk-in without swimming, pelicans and different kind of seabirds, 14 km from the beach there is a little island with snorkeling reef.
(fishes)

Never come back Opportunity !!!! to buy small OceanFront lots like this
